In accordance with the BC Fire Code, total evacuation drills in schools shall be held **at least 3 times** in each of the fall and spring school terms

Earthquake drills shall be held at least three times each year ("Drop, Cover, Hold" drill, no evacuation, in September and January; and complete drill, including evacuation, during Emergency Preparedness Week in May).

This drill log is to be filled out immediately following each drill and sent to the Facilities Branch office via facsimile (604-952-5375) or e-mail (mpekarek@deltasd.bc.ca**)**
