

DELTA BOARD OF EDUCATION

PROJECT UPDATE
NDSS Sports Track
September 17, 2018

Delta, BC— District staff is working with City staff in preparing the work and documentation needed for the creation of an Investing in Canada Infrastructure Program grant application.

Applications for BC's Investing in Canada Infrastructure Program opened on September 12, 2018. The application process closes January 23, 2019.

Information about BC's Investing in Canada Infrastructure Program can be found here:
<https://news.gov.bc.ca/releases/2018MAH0069-001750>

In the interim an assessment of the drainage conditions of the NDSS track will be conducted by Delta School District staff this fall.

These findings will be used to determine the extent of the subsequent engineering study, which is a requirement of the grant application.
